About Us

Gorst Rural is the leading provider of agriculture solutions. Providing farm businesses with tailored agronomy and livestock production services, customised fertiliser and seed blends, and supplying a large range of agricultural supplies. The stores are based in Lake Bolac, Tatyoon, Willaura, Skipton and Derrinallum in western Victoria. Gorst Rural is a growing business with an enviable reputation and market share in the region. Our dedicated independent trials program is a one of a kind with strong industry following, testing new seed varieties and technologies, new chemistries and methodologies, ensuring when products come to market we have the local knowledge. Gorst Rural prides itself on its values of passion & knowledge, understanding of the land and community involvement. We acknowledge the importance of supporting our local rural communities with generous and supportive sponsorship programs across the region. We stand by our trademark— Best in Field with everything we do.

The Opportunities:

- The current opportunities combine elements of Customer Service, Teamwork, Sales, Stock Control, Goods Inwards, Logistics, Procurement, Networking and much more...
- We aim to play to your strengths, meaning we would love to hear from you if you have interest or experience in any of these areas.
- Once trained and integrated into the business you will be based from one of our five established locations: Lake Bolac, Tatyoon, Willaura, Skipton and Derrinallum.
- Work within a great team and utilise your communication skills to provide A-Grade customer service to our loyal and friendly customer base. A natural flair for organisation, attention to detail and communication will assist your success.
- The role is ideally full-time, but for the right applicant we are open to exploring flexible work arrangements including part-time opportunities.

**We would love to hear from you if you feel a career with Gorst Rural is the right fit for you.
